

Queensland Resources Expo (QREX) is one of the premium mining industry trade fairs with over 250 exhibitors displaying a diverse range of goods and services for the resource sector. This year the trade show is being held at the Rockhampton Showgrounds, and for the first time CT Oceania along with Parker Hannifin and Pilz Safe Automation will have a working trade display demonstrating an integrated safety automation and process control solution package.

CT Oceania has developed a strategic alliance with Parker Hannifin and Pilz Safe Automation known as Atlantic Pacific Automation Group. We will be at **Booth 3045** located near the first entrance at the Robert Schwarten Pavilion. The display will have the latest Automation Products integrated with CTI 2500™ Series Processors, Pilz Safety PLCs and Parker Hannifin Electromechanical and Pneumatic solutions.

Location: Rockhampton Showgrounds
 Exhibition Show Rockhampton QLD
 Date: 21st to 23rd July 2009
 Time: 9am-6pm
 Cost: Free

QREX 2009 is free and all visitors are welcome. It is a condition of entry that all visitors to QREX 2009 must [Register to attend](#). For more information on the exhibition and trade show events visit the QREX website www.qldresourcesexpo.com.au
